Buydown Option	<p>A buydown option is available on owner occupied purchase transactions. The buydown is funded by interested party contributions (IPC) or Lender Credit. The buydown fund contributions can only come from the seller, builder, realtors, or from lender credit. Any combination of these sources is acceptable. The buydown is available in 3 different options: 3/2/1, 2/1, or 1. The year 1 payment is based on a bought down rate, for example, on the 3/2/1, the first year rate is 3% below the locked rate, the year two payment is based on a rate that is 2% below the locked rate, and finally, year three payments are based on a rate that is 1% below the locked rate.</p> <p>The difference between the actual payment and the payment required by the note rate is paid every month by the loan servicer from the buydown premium collected at closing. At the beginning of the year following the end of the buydown period, and thereafter, the full amortizing payment is made by the borrower. If the loan pays off prior to the end of the buydown period, the remainder of the buydown fund is credited to the borrower in the payoff calculation.</p> <p>The following terms and restrictions apply:</p> <ul style="list-style-type: none"> - The buydown is only available on Owner Occupied purchase transactions - For qualification purposes the actual locked rate and associated payment are used - The buydown only impacts the amount of the monthly payments made by the borrower over the first 1, 2, or 3 years depending on which option is selected - For loans with impounds/escrows: the borrower makes the full monthly payment amount for any impounds/escrows - There is no negative amortization - Buydown amount cannot exceed IPC limits - Cannot be combined with Interest Only payment option - Appraisal must reflect that the IPC used to fund, or partially fund, a buydown has been included in the analysis - Purchase agreement must reflect IPC to be granted to the buyer/borrower - A Buydown agreement is signed at closing by the borrower - Buydown option is only available for 30 year fixed rate P&I loan term
